# GREASE

21st-25th  
March  
2023

Since its electric Broadway and West End debut in the early 1970s and the iconic film, GREASE has remained one of the world's most popular and enduring musicals. Funny, frank and featuring the hit songs "Greased Lightnin'," "Hopelessly Devoted to You," "You're The One That I Want," and "Summer Nights," GREASE follows the journey of Danny and Sandy, alongside the Burger Palace Boys and the Pink Ladies, as they navigate high school to the unforgettable rock n' roll soundtrack that defined generations.

CODY are delighted to be able to bring this exuberant musical to you. Although this is the most performed professional production and most requested amateur show, this is the first time adult amateur companies have been able to perform Grease in the UK, so buckle up for a joyous night out!

Make sure you check our website for details of our future productions, how you can join or support the company, as well as a comprehensive history of all of our shows back to our origins in the 1920s:
