Frank Loesser's celebrated musical comedy about rolling the dice and falling in love under the bright lights of Broadway....

Considered by many to be the perfect musical comedy, Guys and Dolls is an oddball romantic comedy set in Damon Runyon's mythical New York City. Guys And Dolls takes us from the heart of Times Square to the cafes of Havana, Cuba, and even into the sewers of New York City, but eventually everyone ends up right where they belong. Frank Loesser's brassy, immortal score makes Guys and Dolls a crowd pleaser which will delight audiences of any age.

For this production we aim to bring the heart of the action into the auditorium. For the full immersive experience we have limited pairs of cabaret table seating available.

Make sure you check our website for details of our future productions, how you can join or support the company, as well as a comprehensive history of all of our shows back to our origins in the 1920s:
